Before we go for another week, we would like to express our thanks to the many customers who have given so generously of their time on the weekend sewing quilts etc for the Victorian Bushfire Victims. We would also like to thank those who gave so generously in the form of funds and/or donations of batting. It is greatly appreciated and we are sure it will be greatly received by our fellow Australian's in Victoria.

Our upcoming blog will keep you up to date with the many quilts and quillows that have been donated.

Til next week!
