Please enjoy the fourth edition of our weekly newsletter.

#### Feature Fabric

This weeks feature fabric is a reproduction range of fabrics labelled "Pink Chocolate" by Nancy Gere. (Circa 1875) The entire range of fabrics are delectable, featuring traditional pinks through to the dark hues of chocolate. There would definitely be something in this range to tempt any appetite!

All fabrics are available by the metre along with fat quarter and fat eight packs of the range. [Click here to view the range.](#)
